## **Welcome to Crescent Valley**

It is with a heavy heart that we invite you to Crescent Valley for this dispersion. For the past sixteen years our energies and resources have gone into the building of a cow herd that we feel is just now at its peak. As you study this catalog you can see the many great families and breeding bulls that are represented. However, the cattle farm has been sold and we must give possession by December 1, 1968. Therefore, the decision to sell the cattle had to be made. We know that they will do well for you. They have done well for us. Plan to be our guest November 13. We will consider it an honor to be your host.

Sincerely,  
Ted and Ruby Franklin

This is a working cow herd. Every female selling as a regular producer. In the last two weeks of August and the first two weeks of September, 30 calves were dropped at the farm. Many more will arrive before sale day. All females bred long enough will be pregnancy examined.

**The Crescent Valley Dispersion will start promptly at 11:00 a.m., Wednesday, November 13, 1968.**

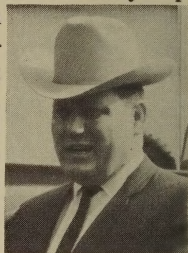

Extensive footnotes have not been prepared for this catalog since we feel that the cattle will speak for themselves. The reference sires and service sires listed at the front show the strength of the offering. Footnotes consist mainly of breeding information about calves at side or service sires.

**THE HEALTH OF THE CRESCENT VALLEY HERD  
IS EXCELLENT.**

Ever since the day some sixteen years ago when Ted Franklin bartered 16 purebred Polled Shorthorn cows, one purebred Polled Shorthorn bull, 400 bales of straw and various other items for one of his brand new Buick automobiles, Ted and Ruby Franklin have been progressive and enthusiastic breeders of Shorthorns and Polled Shorthorns. Believing that anything worth doing is worth doing well, no distance or expense has been too great for them to travel in the search of improving females and no one has looked harder or longer for their stock bulls.

In the years that I have been attending sales on a full time basis it can be said that no major dispersion or production sale was held without the Franklins there and choosing from the very top end of the female offering. From the Sutherland, Northwood, Louada, and Bilmar production sales; from the Oakwood, Tulleevin, Creekland, Upson, Cooper and Lawless dispersions have come great brood cows. These cows and their daughters are what you will be buying in this dispersion sale.

Knowing that no herd can survive without great bulls the Franklins have used a number of the very best. Included is the twice International reserve grand champion Circleview Lancer x, a bull that was ahead of his time; the International grand champion Oakwood Lancer x; the \$6,000 Bilmar Key Diadem x, who was lost before his full potential was realized; his full brother Bilmar Patrick Diadem x, and a great Shorthorn bull from the Bilmar production sale, Bilmar Regular Diadem. Right now the two junior herd sires are among the best ever used in the herd, C V R Duke of Westdrums x and C V R Blockbuster x are worthy of the great honor of heading one of the breed's best herds.

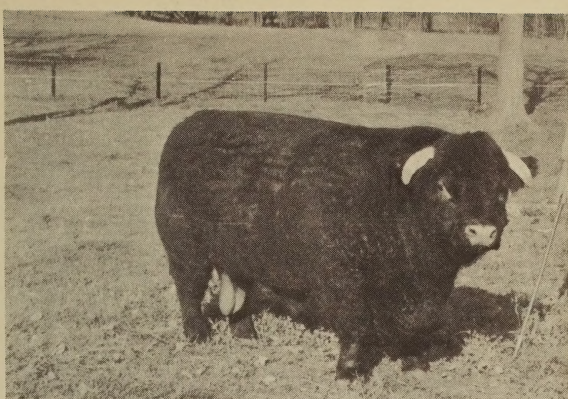

It is unfortunate that the breed must lose these farsighted people, but the farm where the cattle are maintained has been sold and possession must be given by December 1, 1968. Take advantage of the years of intensive selection that have gone into the building of this herd.

The sale will be held at the ranch, Carbon Hill, Alabama and will start at 11 o'clock a.m. Wednesday, November 13. There will be 101 lots selling and in order to see them we urge you to come and look the preceding day. All the cattle will be numbered and the latest breeding information available then. The Holiday Inn, Jasper, Alabama is sale headquarters. Make your reservation direct to them or let me know and I will be happy to do it for you.

I hope to see you sale day.

Sincerely,

Gene McDonald, Sale Manager

## Calrossie Diadem

Universally recognized as the world's most prepotent sire, his descendants on five continents prove his extraordinary value.

From coast to coast . . . from continent to continent . . . the Calrossie Diadem success is legend. Perth champions and top-sellers are his. The only bull ever to be Perth supreme champion and go on to the undefeated supreme championship of ALL the British shows is a Diadem son. The Diadem Dynasty reaches to Australia, South Africa, Canada, South America and wherever good Shorthorns and Polled Shorthorns are known.

**The United States.** The Calrossie Diadem senior get-of-sire has won 19 first prizes at leading shows including the American Royal, Illinois, Kentucky, Ohio and Michigan State Fairs.

### AT PERTH

Calrossie Diadem is the only Shorthorn sire, living or dead, to sire four consecutive Perth supreme champion and/or top-selling bulls. Today the Diadem daughters and granddaughters in Scotland are pre-eminent in the best herds.

### INTERNATIONAL

Calrossie Diadem sired the International reserve grand champion female and reserve junior champion bull on the same day for Bilmar. In 1967 both champion females, the reserve grand champion bull, and most of the winning groups were ALL granddaughters and grandsons of Calrossie Diadem.

### ALL-AMERICANS

Calrossie Diadem sons and grandsons, daughters and granddaughters have won more All-American nominations than any other living Shorthorn bull.

### SALE TOPS

The list is endless and includes tops of the International sale, Indiana, "Best of Midwest," Ak-Sar-Ben National, "Choice of Champions," and the historic Bilmar sales where in 1964 a Diadem son sold at \$10,000 and 1967 when another brought \$6,000. In the meantime the Diadem grandsons and granddaughters dominate sale after sale for their owners who are using Diadem sons.

---

Three sons of this world renowned sire have seen service in the Crescent Valley herd. Two of them will sell in this sale. Sons and daughters of Bilmar Key Diadem x sell. Many females sell with calves at side by Bilmar Patrick Diadem x and Bilmar Regular Diadem and rebred to them.
